| 25  | 244751115  | Einlaufsieb                  | strainer                     | 475 - Bohrungen: 12 mm        | 1         |
|     | 246751115  |                              |                              | 675 - Bohrungen: 20 mm        |           |
| 27  | 027075400  | Stator                       | stator                       | 7,5 kW                        | 1         |
| 28  | 021075000  | Rotor                        | rotor                        | 7,5 kW                        | 1         |
| 31a | 024015022  | Kugellager, oben             | upper bearing                | 6305                          | 1         |
| 31b | 023075011  | Kugellager, unten            | lower bearing                | 6309                          | 1         |
| 33  | 330075400  | Thermorelais                 | thermal protector            | SRB 15 A                      | 1         |
| 34  | 026075011  | Gleitringdichtung            | mechanical seal              | TS-H3035 30 x 35              | 1         |
| 36a | 044055001  | O-Ring, Kugellager oben      | o-ring, upper bearing        | 63 x 3                        | 1         |
| 36b | 025015022  | O-Ring, Ölablass             | o-ring, oil outlet           | 7 x 3                         | 2         |
| 36c | 008037075  | O-Ring, Kabeleinführung      | o-ring, cable entry          | 45 x 3                        | 1         |
| 36d | 018055075  | O-Ring, Pumpenkopf           | o-ring, upper cover          | 200 x 3,5                     | 1         |
| 36e | 029075011  | O-Ring, Lager-, Ölgehäuse    | o-ring, bearing, oil chamber | 150 x 3                       | 2         |
| 37a | 009037075  | Dichtung, Druckanschluss     | gasket, flange               | 98 x 116 x 2                  | 1         |
| 37b | 017055000  | Packung, oben                | upper gasket                 | 199 x 118 x 3                 | 1         |
| 37c | 370000075  | Packung, unten               | lower gasket                 | 232 x 105 x 3                 | 1         |
| 37d | 043075011  | Einstellpackung              | adjustment gasket            | 265 x 220 x 0,3               | 1 - 3     |
| 38  | 034075011  | Wellenschutzhülse            | shaft sleeve                 | 44 x 35 x 25, H=17            | 1         |
| 41c | 022075011  | Halteblech, Kugellager       | fixing plate bearing         | D=126, d=90                   | 1         |
| 41d | 033475675  | Sicherungsblech GLRD         | fixing plate mech. Seal      | D=95, d=51                    | 1         |
| 42a | 009691035  | Sechskantschraube            | hexagon screw                | M10 x 35                      | 4         |
| 42b | 941035     | Zylinderschraube mit ISK     | cylinder screw               | M10 x 35                      | 1         |
